WINEMAKING

Gilbert & Gaillard has blended the finest juice in Languedoc to bring you this 2022 vintage wine. The grapes come from the vineyard of Château Gilbert & Gaillard. They are harvested by hand, destemmed and pressed by night to retain their freshness and protect them from oxidation. The team Gilbert & Gaillard is looking at maximizing fruit aromas of small red berries running a low-temperature fermentation. Ageing on the lees for few week and use of pea-based fining agents before bottling.

TASTING NOTES

«The nose reveals appetising fresh red fruit notes and a touch of white pepper. The palate is seductively supple, soft and rounded. A Grenache noir for pleasure that is both full-bodied and polished.»
