Allergen Statement

*Where products are indicated as not having an allergen present this refers to the product not being formulated or wholly derived from the particular ingredient. Allergen handling policies and procedures are in place through the supply chain to reduce the likelihood of cross contamination from allergens however **this cannot be guaranteed**. Where specific guarantees are required please contact EHL for further information.*

Unless otherwise stated in the table above products are supplied, to the best of our knowledge, free from nuts and nut derivatives. Nut products are handled by EHL and careful nut handling procedures and practices are in place. Due diligence checks of the supply chain are in place, however due to the nature of the products supplied it is not possible for the company to guarantee that no cross contamination has taken place at some point in the supply chain prior to deliver to our premises.
